SUMMER SPECIALS
50% DISCOUNT BONSAI STOCK
20% DISCOUNT RED TAG BONSAI

Dear Friends,

Thanks for your patience & understanding, Chase is back to work and stronger every day. See his photo with his Hornbean in the US National Arboretum in May.

On April 18 CBS Sunday Morning featured Chase and the Rosade Bonsai Studio. Hope you saw it!

We hope your bonsai are growing and enjoying this wonderful weather. Summer predicts to be long, hot and dry, so don't forget to water the bonsai abundantly. We will not be going away but instead staying at the Studio the entire summer ready to help you with your trees should you need any assistance. Call us before coming if not on a Saturday.

In this newsletter we share photos of our recent event, Master's Day, May 15 with François Jeker, our guest from France as well as other photos from recent visits, workshops and classes.

Stop by this summer, we look forward to seeing you and having a cold drink together!
