Introduction to Bonsai: This year the Studio continues to offer our one-day beginner's class for those wishing to experience and learn about bonsai. Fee includes all materials.

All Day Open Workshops: Full or half day sessions are available for students wishing to work on their own material or start new projects with guidance of the instructor.

NEW Class Workshops: Offered for students who wish to proceed to a higher level. Classes include approximately two hours of instruction with visual aids, demonstration of new styles, techniques and more. This is followed by a workshop where the student may work on the style learned and/or other trees as well. The Studio has trees and supplies available for purchase.

Master's Day in May: TBA

2010 Philadelphia Flower Show

You are invited to view, enjoy and learn at our display at the 2010 Philadelphia Flower Show. Our educational exhibit will be part of this year's theme "**Passport to the World**". In our display you will see bonsai representing some of the many types of plants that can be grown around the world, both outdoors and indoors. Welcome Spring at the PFS and stop by our display. Relax, enjoy, ask questions and learn about Bonsai.
